

Registration number: RA 77739

Dear Miss Saini

Thank you for your application for registration with the Health and Care Professions Council (HCPC).

Your application was successful and you are registered. Your registration number is RA 77739. Please make sure that you keep this number handy as you will need to quote it if you contact us.

Your name will remain on the Register until the end of the current registration cycle.

Around three months before this date, you will be invited to renew your registration. You can find out more about this process on our website at [www.hcpc-uk.org](http://www.hcpc-uk.org).

The HCPC online Register at [www.hcpc-uk.org/check/](http://www.hcpc-uk.org/check/) is a free facility which allows you or your employer to verify your registration status. The Register appears in real-time and shows whether a health and care professional is registered with us and, as a result, they are practicing legally, safely and effectively, and they are entitled to use a protected title. Although we will send you a confirmation of your registration, the online Register should be used for the purposes of verifying registration.

Please keep us up-to-date with any changes to your contact details. If we do not have your correct details, we cannot contact you with important information about your registration.

By signing the declaration page of your application for registration you have agreed to our standards of conduct, performance and ethics which state, amongst other things, that;

You must keep within your scope of practice. This means that you should only practise in those fields in which you have appropriate education, training and experience; and

- When accepting a patient, client or user, you have a duty of care. This includes the obligation to refer them for further professional advice or treatment if it becomes clear that the task is beyond your own scope of practice.
